FROM CHARLOTTE, NC & GREENVILLE, SC (GSP AIRPT)

Take I-85 out of Charlotte towards Greenville, SC. If you are getting on I-85 at GSP, you'll be at the 57 mile marker – Head South to Greenville/Atlanta

After you get into South Carolina go approximately 65 miles (or about 17 miles if you go onto I-85 at GSP) to Exit 40, Highway 153 North Powdersville. DO NOT STOP AT THE TOP OF THE RAMP – a lane forms on 153 to accommodate the off ramp traffic. If you stop, drivers behind you will plow into you.

Continue on Hwy. 153 approximately 6 + miles until it ends at US 123. Go over 123 and the ramp will swing 270 degrees to the right and bring you onto 123 SOUTH towards Easley.

Stay on 123 through Easley and then about 20 miles to Clemson.

Go through Clemson and go over the bridge

At the second light after the bridge, TURN RIGHT (Palms Gas station on corner)

Follow that road (unmarked, but it is Old Clemson Highway.) until it ends at route 130 (approximately 3.7 miles).

Turn right to stay on Route 130 at light and follow it approximately 9 miles to the third light (count the one at 130 and Old Clemson Highway as #1). There will be a Wachovia bank on your left just before the third light.

Turn right at that light to stay on 130 (183 goes straight ahead), and continue 0.6 miles to the ReMax on your RIGHT.
